Astoria, New York, March 29, 2019—In April 2019, Museum of the Moving Image will present matinees of the toe-tapping Japanese animated feature *Lu Over the Wall* (April 6 & 7), the Donen-Kelly classic Hollywood musical *Singin' in the Rain* (April 13 & 14), and daily shows of **Wallace & Gromit in *The Curse of the Were-Rabbit*** (April 19–28) over Spring Recess for New York City public school students accompanied by drop-in family activities relating to springtime and Earth Day. See below for a full schedule of programs.

In addition to programs noted below, the Museum also offers the drop-in mediamaking space **Moving Image Studio** every weekend 11:00 a.m. to 4:00 p.m. (expanded for Spring Recess). The first Saturday of every month (next session: April 6, 9:30 to 10:30 a.m.) features **Access Mornings @ MoMI**, an exclusive hour before the Museum opens to the public when families with children on the autism spectrum can participate in small-group, educator-led activities and tours, and featuring a professional puppeteer. Also on the first Saturday, the family matinee will be presented in a sensory friendly environment, with the lights dimmed, but not off, and the volume lowered. On the last Saturday of the month (next session: April 27), **Mornings @ MoMI** welcomes families with young children for educator-led activities and tours, from 9:30 to 10:30 a.m. Tickets are \$5 and includes a light breakfast. #### ***Lu Over the Wall***

SATURDAY, APRIL 6, 11:30 A.M. (In English / SENSORY FRIENDLY SCREENING)

SUNDAY, APRIL 7, 11:30 A.M. (In Japanese with English subtitles)

*Recommended for ages 8+*

Dir. Masaaki Yuasa. Japan. 2017, 117 mins. DCP. One of the most exciting Japanese animation directors working today, Masaaki Yuasa is best known for his wild, freeform style with influences ranging from Tex Avery to *The Wrong Trousers*. Joyously hallucinogenic but family friendly, *Lu Over the Wall* drops a music-loving mermaid into a middle-school rock band. With dreams of making it big and out of their sleepy fishing village, bandmates Kai, Yuho, and Kunio—with their new mermaid friend Lu on vocals—plan to play the big summer festival. When everyone discovers Lu is a mermaid, the town's dark history with mermaids comes to light and threatens its very existence. Winner of the Grand Prize at the prestigious Annecy Animation Festival and an official selection of Sundance 2018, *Lu Over the Wall* is a toe-tapping, feel-good demonstration of Yuasa's genre-mixing mastery—and it has mer-dogs!

### ***Singin' in the Rain***

SATURDAY, APRIL 13, 12:00 P.M.

SUNDAY, APRIL 14, 12:00 P.M.

*Recommended for ages 6+*

Dirs. Stanley Donen, Gene Kelly. 1952, 103 mins. DCP. With Gene Kelly, Donald O'Connor, Debbie Reynolds. Donen and Kelly's satirical look at Hollywood at the cusp of the sound era is simply the most joyous experience one could ever have going to the movies. With its super-saturated colors, non-stop belly laughs, playlist of repurposed classic tunes, and, of course, dazzling display of fabulous footwork—including O'Connor's show-stopping "Make 'em Laugh," Kelly's iconic titular tune, and the epic, eye-popping "Broadway Melody" number—*Singin' in the Rain* is a blast. What better way of honoring the late Stanley Donen, who passed away this February, than by showing one of the great movie musicals, which he directed with Kelly.

SPRING RECESS FAMILY MATINEE

### ***Wallace & Gromit: The Curse of the Were-Rabbit***

APRIL 19–28, 2019, 12:00 P.M. DAILY

*Recommended for ages 7+*

Dirs. Steve Box, Nick Park. 2005, 85 mins. DCP. With the voices of Peter Sallis, Helena Bonham Carter, Ralph Fiennes. Eccentric inventor Wallace and his faithful dog Gromit—Aardman Animations's most beloved creations—investigate the mystery behind a garden sabotage that plagues their village and threatens the annual giant-vegetable-growing contest. Along the way, Wallace hopes to win the affection of contest host Lady Campanula Tottington. This cinematic romp of inventions, intrigue, and preposterous puns won the Oscar for Best Animated Feature. This Spring Recess, before or after seeing the film, drop in to the Moving Image Studio for relating art and media-making activities for the whole family.
